

The Morrison Difference

"It is great that we have such wonderful teachers and staff that encourage and help us to do our best."

-Molly Smith
5th Grade Student

1st grade teacher, Angie Childers was named 2015-2016 K-4 Morrison Teacher of the Year as well as Warren County School District's K-4 Teacher of the Year. She went on to become a finalist in the

Tennessee Teacher of the Year competition! We are proud to have such highly qualified and caring faculty and staff who are dedicated to educating every child every day.

What is being said about Morrison?

"My girls are excited to go back to school and the environment at MES is to thank for that. The girls were so happy about receiving a reward for their STAR test. The little things you do at school make such a huge impression on the kids and encourage them to work hard."

-Morrison Parent

A parent wrote that his child was struggling with reading while attending a private school. "His grades have improved dramatically since entering Morrison Elementary and I have the principal and staff of Morrison Elementary School to thank for that. Your staff has far exceeded our expectations and we are so happy we made the decision to place him in the Warren County School System - especially Morrison Elementary".

MORRISON SCHOOL MISSION STATEMENT

"Believe in yourself,
because we believe
you can achieve."

SCHOOL HISTORY

The first high school, called Morrison Academy, began in 1906 with Professor Evans as principal and six students in the graduating class. In 1921, a new grammar school was erected, and in 1942, a new high school was constructed. The combination grammar and high school enrolled approximately 450 Kindergarten through 12th grade pupils.

In 1969, due to the consolidation of all county high schools, Morrison School became a K through 8th grade school with O.M. Womack Jr. as principal.

In 2010, land was purchased and in 2011, construction began on a new building that was designed to accommodate our growing student population and overcrowding issues. The new building opened in 2012. We serve approximately 450 students from Pre-K through 8th grade from the Morrison Community.

PARENT INVOLVEMENT

We believe that parent involvement is critical to the success of our school.

We have an active parent and teacher partnership. The activities coordinated by the team make Morrison School a great place to work and learn. Parents are encouraged to attend monthly leadership team meetings to help make decisions about our school.

We can use your help with these annual events:

Grandparent's Day, Fall Festival, Veteran's Day Program, ESL Family Night, ELA/Math Night, Color Flight, Talent Show, Book Fair, Pastry Fundraiser, Proctoring for Testing, and Staff Appreciation Week
